Right to the image

Participants guarantee that they own the copyrights of submitted works and authorize the performance and the distribution of their works free of charges within the framework of this contest. In the event that it is selected, each candidate authorizes Regards d'Enfants to use without financial consideration, any creation sent by him or her as part of this contest. These authorizations are an essential condition for the participation of candidates who acknowledge that they have read and accepted them.

TECHNICAL SHEET OF THE CREATIONS :

Clarify how the topic of Human Rights was addressed :
